LET US BEGIN...

THIS IS SUPPOSED TO BE A YEAR-BOOK INTRODUCTION — one of the hundreds that editors wrack their brain for and finally grind from their typewriters — thin-worn and stilted in form requesting appreciation of effort. The 1943 PAC SAC staff asks no appreciation. We could not have published an annual without your cooperation, even though it is necessary to have a guiding hand composed of a few “dependables.” It is you — the student body—to whom we owe a vote of thanks. Your school life has filled the following pages and any scholastic publication must be representative of the body it portrays in order to fulfill its purpose. We sincerely trust that this yearbook goes down in scholastic annals as being worthy of Presbyterian College.

WE DEDICATE...

PROFESSOR BENARD H. BOYD

It is small tribute to pay, but we hope that somehow it will show the feeling of gratefulness which is ours for having been associated with you as teacher and friend. We hope that somehow it will show that we have caught in some measure at least the meaning of true service to God and man as you have hoped we might. We hope that it will show to all who scan the following pages that aspirations and ambitions are ours because we have known you and have been inspired by you. Yes, it is small tribute to pay to one to whom we owe so much, but actually it is more than a book; it is a record of the events of one whole year of our lives and it is because we know that you are interested in our lives that we dedicate the nineteen-forty-three PaC SaC to you Bunny Boyd.

MILITARY

LT. COLONEL PAUL D. STRONG
P. M. S. & T.

Since its establishment in the year following the first World War, the Reserve Officers Training Corps has come to be one of the more important phases of student activity at Presbyterian College. Rated as one of the leading units in the country, the Battalion here has consistently produced military men of high caliber who have given an excellent account of themselves in the armed forces.

Under the competent leadership of Lt. Col. Strong, the cadets have undergone rigorous, thorough training in field tactics and formations. There is no place for fancy drills or exhibitions, and the cadets have laid aside their uniforms and sabres for the more valuable study and practice of the soldier's movements in the field and under fire.

Complying with the government's request for an accelerated educational program, the college maintained the R. O. T. C. unit during the past summer in order that the students could complete their military training at an earlier date.

PAC SAC'S MILI

A collage of 14 black and white photographs showing military training exercises. The photos depict soldiers in various roles: some are aiming rifles from a trench, others are operating a machine gun, some are in a classroom setting with a chalkboard, and others are in physical training or marching. The soldiers are wearing uniforms and caps, and the exercises take place in outdoor settings with trees and buildings in the background.

Since December 7, 1941, the lives of several former Presbyterian College students have been given for our country. Others will be given yet, and realizing full well how small the tribute is we pay, it is with a deep feeling of gratitude that we humbly and respectfully dedicate this page to the memory of all those who have made the noble sacrifice.

ATHLETICS

F O O T

LONNIE McMILLIAN
Coach

Not a bad season after all.

That's the way Blue Stocking fans feel about the 1942 football festivities as engaged in by Presbyterian gridders. For a season that saw the first three pigskin efforts turned back in defeat, things picked up to a point of envy by the time the seasonal curtain call sounded. Six wins against four defeats is the way the final record books read.

Blue Hose loses were to Clemson, Rollins, The Citadel and Catawba; while victories emerged from the Newberry, Wofford (2), Camp Davis, Daniel Field, and Tampa U. tilts. Pacing the drives of conquest was the

most outstanding passing attack seen lately on South Carolina turf—the aerial combination Roddy Martin to Jack Adams.

Wearers of the garnet and blue jerseys fared even better individually than as a team. End Adams made enough end-zone pass completions to rack up 72 points and lead the state in total-points-scored. Then, he teamed with his passing partner, quarterback Martin, in seizing a second-team berth on the All-South Carolina selection. Honorable mention went to Gibson, a tackle; Rollins, back; and McLaughlin, tackle. Three Hose seniors were selected to

represent P. C. as members of the all-star Palmetto team opposing North Carolina in the Carolinas bowl; Captain Joe McNeill, end; George Bryan, guard; and Tubby Gibson, guard-tackle.

CLEMSON 32, P. C. 13

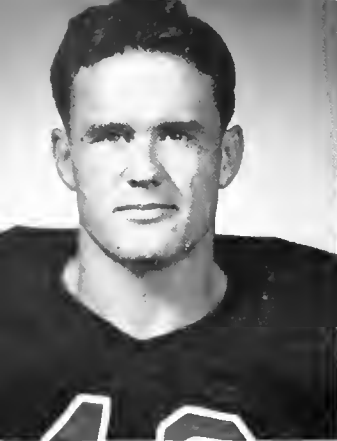

In taking part in the chritening ceremonies of Clemson's new stadium, the Blue Stockings brought more of a quake to Bengal supporters than the 32-13 score would indicate. The close fighting is more adequately pictured in Clemson's narrow 13 to 6 margin at half-time.

CAPTAIN McNEILL

First row, left to right: Dent, trainer; Inman, Wallace Walkup, Warren Walkup, McCommons, McNeill, Query, Jacobs, Culp, Reddeck, Avery, Ratchford, manager. . . . Second row: Coach Park, Rollins, Layne, Dinkins, Bruggerman, Weaver, Pennell, McLaughlin, Johnson, Lanus, Britt, De Lorme, Coach McMillian. . . Third row: Marsh, Collier, Martin, Adams, Teas, Atwell, Kaleel, Burns, Callaway, Gibson, Bryan.

CULP

GIBSON

QUERY

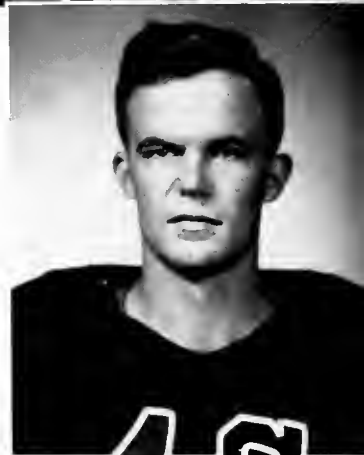

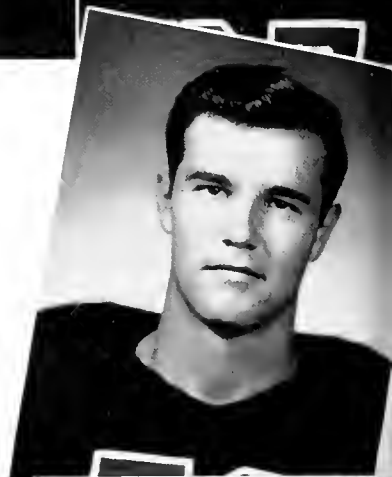

Paced by backs Herbert Rollins, "Deida" McCommons, Wallace Walkup, Bill Culp, and Jerome Norton, and by linemen Jack Adams and center Bud Collier, the Stockings opened their second anniversary under the intricate T-formation with a capable performance. Rollins passed to Adams, and when he wasn't passing, he was slinging cleats or punting—enough for post game write-ups to label him a sure bet for "Little All-American." All played heads-up ball that kept the Tiger at bay and taking long-distant "pot-shots," some of which paid off.

The Hosemen scored in the first and fourth quarters and drove the ball within spitting distance of the Clemson goal on two other occasions. A blocked kick and a goal-line pass interception gave the Bengal its large margin late in the game.

ROLLINS TARS 21, BLUE STOCKINGS 0

After a long train-ride, followed by two hours of early morning "shut-eye," the Hosemen squared off against Rollins College down in Orlando and promptly re-

BRYAN
COLLIER
ROLLINS

ceived a 21-0 rain-soaked lacing at the hands of the Florida boys. It was a revenge-seeking crew of Tars that had only one thought in mind; "Remember last year"—at which time P. C. upset the heavily-favored Rollins by three touchdowns.

The Tars got their revenge, all right, for everything was off key with the Blue Socks that afternoon. Neither running plays nor aerials could get into the "click" of things. Then, too, Rollins put a powerful eleven on the field as opposition. Later results throughout the season proved just how good the Tars really were.

THE CITADEL BULLDOGS 47, P. C. 12

Football was rough down in Charleston that afternoon. And, dear reader, that is a master of understatement! Two Hose players were shelved for the season as a result of injuries sustained and still another didn't see action next until the final game. Others were more politely mauled.

P. C. displayed a fancy passing attack against the Bulldogs, Roddy Martin doing the tossing to ends Otis Weaver and Adams while the cadets "bottled-up" highly-touted Herbert Rollins. But, The Citadel was in its best stride of the year that day, and Andy Victor and Marty Gold made the most of it.

(1) Herb through Clemson's line for a touchdown. (2) Deida at Newberry. (3) Action at Clemson. (4) Daniel's Field takes to the airplanes.

FOOTBALL

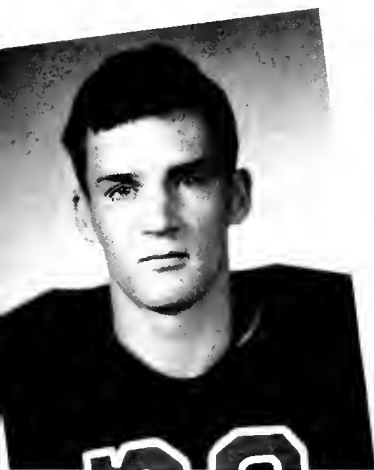

In the most beautiful play of the ball game, little dash-back Toon Britt punctured the scoreboard for the Hosemen by taking a kick-off back to score. He traveled 95 yards through the entire Citadel team on his journey. The remaining Hose score came on an end-zone pass completion to Adams. For line-play sparks, we focus on George Bryan.

NEWBERRY INDIANS 7, HOSEMEN 14

At last the win-column was reached but, even then, only by a hair's breadth. After three periods of rollicking 7 to 7 football, Rollins, in the closing five minutes of play, caught a short shovel-pass and broken-fielded his way for 58 yards before being

brought down on the Newberry, 2-yard marker. "Droopy" Atwell did the honors in going over to score and break the deadlock.

The Indians had opened the scoring for the night on a pass that connected for a touchdown; but the Hosemen bounced right back and gave Newberry a dose of its own medicine. Rollins and Martin started bulls-eyeing and they found able

receivers in Weaver and Adams, the latter catching the pay-off toss. Ernest Jacobs' placement knotted the count.

WOFFORD TERRIERS 7, BLUE HOSE 45

The Blue Stockings put on a display of everything in their book in tearing the terriers apart, 45-7. Scene of the rough-up was the annual Sumter County Fair.

Touchdowns for Presbyterian were too numerous to mention, and the standout players, all-inclusive. To select the "super-dupers" mention goes to: backfield, Roddy Martin, Warren and Wallace Walkup, Toon Britt, and Herbert Rollins, who was injured in this game and lost to the squad for the rest of the season.

Martin passed deadly-aimed footballs all afternoon, racking up 19 completions in 34 attempts. And Britt took off on two occasions for touchdown runs of 40 and 50 yards. Waiting until the waning minutes, Wallace Walkup made his bid for glory with two successive scoring stabs—one carried for 40 yards, the other for 55. All was a part of the program.

Wofford's score was delivered by its ace of the afternoon, Robert Epps, on a 50-yard jaunt.

CATAWBA INDIANS 25, STOCKINGS 6

It was a tight gridiron affair for three-quarters, and then, zowie, the lid blew off. Before it could be replaced, the entertaining North Carolinians had scored three times to turn a 6-6 tie into a 25-6 defeat for P. C.

The usual excuses were sought after, but final deductions simply boiled down to the fact

that Catawba used one more powerful machine against the Blue Hose. Presbyterian fought it out with the heavier Indians to the last ditch. However, reserve strength wrote the concluding chapter, and in that Catawba was superior.

P. C.'s lone marker came in the second quarter. As a climax to a sustained drive, Martin tossed to Adams in the Tar Heel's end-zone.

WOFFORD 6, P. C. 28

History did a good job of repeating itself when Wofford presented its gridmen in Clinton for a second clash of the season between the two colleges. The Hosemen gave the Terrier tail another mighty yank and sent Wofford home licking wounds enforced to the tune of 28-6.

This game was Presbyterian's 1942 Homecoming. The first of World War II;

and despite the various rationings in force, a good-sized crowd attended to take part in the celebration.

Wofford put up a good fight this time, led by Robert Epps and Aubrey Faust, but it was still just too much Hose talent. Martin, McCommons and Wallace Walkup did the yardage piling up over the ground routes; and Adams continued as glue-fingered as ever on aerials. Standout linemen for P. C. were Query and Adams.

CAMP DAVIS 6, BLUE HOSE 26

Presbyterian invaded the ramparts of Camp Davis up in Wilmington, N. C., for its next pigskin party and redeemed the Hose goodname in Tarheelia with a sound 26-6-triumph.

Once again it was South Carolina's top aerial offensive that went to work smoothly and brought dividends to the Stocking

fold. Roddy Martin continued along the bulls-eye trail by shooting four scoring passes. He connected with Jack Adams for three and with Toon Britt for another. In the lone successful ground attack, "Deida" McCommons struck pay dirt.

To give linemen, besides Adams, credit due them, the salute goes to George Bryan, Buddy McLaughlin and Bud Collier.

DANIEL FIELD 6, HOSEMEN 27

Call it sabotage, or what you may, but Presbyterian's football organization certainly took to the service teams with menace in 1942. And no exception were the hapless flyers from Daniel Field who made feeble efforts at the successful invasion of Johnson field.

The game was a listless one, to be the grand finale at the P. C. home base. Only one really exciting moment presented itself, and leave it to the soldiers to pull that. Robert Bumgardner, a speedy ex-Alabama back, slipped through his forward wall and went 75 yards through a broken field to a touchdown.

TAMPA U. 7, PRESBYTERIAN 41

When the Blue Stockings pulled the curtain on their 1942 gridiron activities, it definitely came down with a "bang." And in no more fitting a way could the end have come than with the Hosemen taking advantage of every trick in their famed aerial repertoire.

Roddy Martin unwrapped his hurling arm to rack up his best passes-for-touchdowns record of the year. Five times he connected for end-zone completions; three of the passes were caught by Jack Adams, one by Joe McNeill and one by McCommons. Scoring the other P. C. tally was Tackle Buddy McLaughlin, who intercepted a Tampa pass and lumbered 35 yards to score.

It was all sweet revenge of Florida competition for the Blue Stockings.

Fresh FOOTBALL

Under the supervision of Coach "Chick" Galloway the Presbyterian College freshman football team passed through its 1942 gridiron slate with sails flying high and with a good mark in the books. Five games filled the Anklet schedule, and of these three were concluded to the approval of the frosh following.

The initial defeat was delivered by a visiting Clemson Cub team in the season's opener, 7-0. P. C.'s small but tough first-year squad, battled the huskier, more numerous Clemson "rats" to a standstill and threatened on several occasions. Three consecutive successful engagements followed for the Baby Socks. Parker High of Greenville, was met and nosed out 12-7; and another trip to Greenville resulted in the scalp of Greenville High, 26-0. Presbyterian Junior College next made an effort toward embarrassing its older brother but received a 25-0 lacing as reprimand. Football on Thanksgiving holiday was a hard dose for the P. C.uns as they invaded the stomping grounds of Richmond Academy in Augusta, Ga. Morale effect or not, the Anklets suffered a 12-6 defeat at the hands of the cadets. That game closed the season.

Outstanding throughout the year among the freshman ranks were: Raymond Spoon, "Whitey" Green, Claud Scott and Bob Hughes in the backfield; and Red Starr, James Averett, Red Carter, Tom Wham and Red Riddle as members of the forward wall.

BASKETBALL

Leading the 1943 model of Coach Lonnie McMillian's fighting bunch of Blue Stocking basketekers across the "high polish" and into the thick of the Palmetto basketball race is Captain Frank Heidt, a letterman of two years previous experience. And behind Heidt, ready to give any claim he might make a good boost, are three returning members of the quintet which last year lost out on the state championship by a narrow one-point defeat on the court and by a matter of fractions in the final standings.

These three men are: Bill McMurray, center; Herbert Rollins, guard; and Martin Abbott, forward.

Lost to the squad by graduation was only one man of importance—but he WAS important. Lloyd Evans, stand-out guard, captain of the team, first team all-state and one of the leading scorers in the loop, that's the valuable piece of basketball flesh that answered the sheepskin call last June and Uncle Sam's beckon immediately afterwards. It'll take a lot of ball talent wrapped in one bundle to fill the gap left vacant by Evans.

One thing is in the Blue Stocking's favor, however, they're a more experienced group this season, and the ability to coordinate the action of the entire team is often more valuable than a stand-out doing things on his own "hook."

Evans and Heidt weren't the only boys to play good ball last year. McMurray proved himself to be one of the stand-out pivot men in the loop before the season was long underway, and his just reward came at the close of the fireworks when he received nomination to second-string all-state. Another all-

stater, second team on the Blue Stocking squad was Abbott, who played an aggressive, sharpshooting forward. He ranked high in points scored.

Besides the starting five, there were three other players who saw much service and did a fine job of "filling the shoes." They were forwards, lanky Jack Adams and Joe McNeill who accounted for many a point, and guard Jack Preston. Preston had the task of relieving Evans and responded with zest.

Other members of the squad to see action under fire and do a good job were Gene McCaskill and Paul "Hoot" Gibson.

Expected up from last season's successful freshman team are such versatile players as L. V. Brissie, Droopy Atwell, and Roddy Martin. Transfers who will add much to the 1943 team are Frank Inman, Richard Kaleel, Harry Parrish, and Roy Krouse. These and others will do much to bolster the 1943 varsity line-up.

Pugilistic prospects for 1943 took on a warm glow when 15 men reported for training and preliminary work-outs immediately following the Christmas holidays. Haunting the "little boxing room" down in LeRoy Springs gymnasium each afternoon, was an array of some of the best glove-pushing talent ever to wear the garnet-and-blue trunks.

Seven experienced boxers, lettermen of 1942, formed a sturdy nucleus for the club: Eddie Selfe, bantamweight; Co-captain Billy Dent, featherweight; Co-captain Charles "Chick" Easley, welterweight; Conley Alexander, welterweight; Joe Jones, middleweight; Bill Teas, light-heavyweight; and Gerhard Bruggemann, heavyweight.

Newcomers from the ranks of the upperclassmen to enter the ring in team competition were: Richard Bell, lightweight; Ed. Barton, lightweight; and Richard Keel, senior middleweight.

Out of the freshman class came five additions to the squad. The first-year fighters included: Gil Clary, bantamweight; Bob Hays, featherweight; Chan Carter, lightweight; Wyatt Joiner, middleweight; and Raymond Spoon, senior middleweight.

During the season Easley and Dent entered Golden Gloves Tournaments in Charleston, Charlotte, and Atlanta, competing in the open division of their respective weights. The team had matches with Clemson College and several service outfits.

BASEBALL

THE 1942 baseball season was one of the best seasons the team has had in the last five years. Of the 16 games played P. C. won all but five lost only three games in the state and placed second for the Palmetto title. During the season the Blue Hose baseballers beat Georgia Tech, South Carolina, Clemson, Guilford, Erskine twice, Wofford twice, Furman twice, while they lost state games; two to Newberry and one to South Carolina.

CAPTAIN HERBERT ROLLINS

The team was led by Captain Wilmot Shealy, who held down the first sack with great ability. Behind the plate was Verne Church, the only other senior on the team, and it was he who gave the team much of its pep and ginger . . .

The team was outstanding for its hitting power. Topping The Stockings' batting was "Slugger" Herbert Rollins who had an average of .375. Herb held down the shortstop post and did one good job of it.

Lyle, best in the win-loss column.

Bub Montgomery fielded at third base and it was his quick feet and swift throws that put out many an enemy batter. Gene "Polly" Parrott covering the second sack rounded out the infield, and his "twinkle toes" covered the position well.

The pitching staff of the 1942 baseball team was powerful and consistent. "Big Tom" Clyde was the "fire ball" pitcher and his speed has some of the enemy batters still blinking, Brissie, a tall, gangling left-hander, put plenty of stuff on the ball. The team's top hurler as far as the win-loss column goes was Wade Lyle who pitched the Hosemen to eight victories against the two occasions he failed them.

BASEBALL

In the outfield were four smooth fly-chasers. Conley Alexander held down center field and his speed and sureness of hand stopped many an enemy hit. Ben Gregg, with his long legs stretching, covered left field like a blanket. Ben was a power at the bat and poled many a long hit. Roddy Martin played a good left field before he injured his hand. In right field romped little Donnie Strickland and there were very few balls that got past him.

Besides these regulars there were the "subs" who gave the first string men plenty of stiff competition. They consisted of Billy Dent, Rex Pennell, "Bull" Berry, Gene Avery, Kay Richards, Bobo Dinkins, Hank Caver, and Charles Estes.

All in all the team was a well-coached, good-hitting, smooth-fielding ball club and well deserving of their high ranking.

TRACK

*"THE GREATEST TEST OF
COURAGE ON THE EARTH IS
TO BEAR DEFEAT WITHOUT
LOSING HEART."*

Using this maxim as their motto, the Blue Hose doubtful trackman will journey forth this spring to face opponent after opponent, determined that even though they may lose each contest they will not lose their sportsmanship.

P. C. lost five lettermen via the graduation route, and the loss will be felt sorely by this year's team. The seniors were: Joe Milam, Jack Milam, Allen Jacobs, Paul Hartsfield, and Heath Blake. Blake was last year's captain and he was one of the outstanding trackmen in the state. In the South Carolina Intercollegiate Track meet held annually on the track of Johnson Field, Heath proved his ability last season by capturing first place in the broad jump, second place in the high hurdles and tying for third in the high jump.

Sitting, left to right: Brogdon, Walkup, Bell, McCommons, Aiken, Martin, Jacobs, Britt. . . . Standing: Milam, Rollins, Blake, Jacobs, Riddle, Timberlake, Adams, Atwell, Collier, Hartfield, Walkup.

CAPTAIN TIMBERLAKE

This year's inexperienced but determined team will be headed by big Pierce Timberlake, a senior who has turned in unbeatable performances in the 440- and 880-yard dashes in the past two years.

Jack Adams, who won the state high jump in 1942 is a great all-around athlete and an exceptionally good trackman. He is determined that he shall retain his crown this year.

To many persons, diminutive Toon Britt is the most potential man on the squad. Toon, in last year's state meet, missed by three-fourths of a point getting the trophy awarded to the freshman participant accumulating the largest number of points. He comes up to the varsity along with the Walkup twins, to team with lightning-like "Deida" McCommons in handling the sprint assignments.

Larry Aiken was defeated neither his freshman nor his sophomore year in the mile and two-mile runs, and he has resolved to remain unbeaten this year.

Four-letter-man Herbert Rollins took enough time out from baseball to enter the state meet and capture second place in the broad jump. Hats off to a real athlete!

TRACK

When Coach McMillian, early in the spring of '42 issued the call for trackmen, a small and apparently-incapable squad reported for practice, "Coach" trained and polished this group into a team that captured many first place honors in the state meet and made an impressive showing in all intercollegiate meets.

Bud Collier proved his ability, both as a discus thrower and as a weight man, by finishing among the winners in both events.

Gene Avery came through last year in fine fashion as a javelin thrower, and every one knows that he will do his part toward the triumphs of the team this year.

"Droopy" Atwell will step into varsity togs for the first time this year, and he is expected to add greatly to the potentiality of the squad.

TENNIS

COACH LUFLER and CAPTAIN SELFE

Last year the tennis team, led by co-captains Billy Farmer and Walter Larson, again made a record which placed Presbyterian College among the leading tennis teams in the South.

During the season the Blue Stocking netmen defeated such outstanding teams as Kalamazoo from Michigan, Georgia Tech, Clemson, Vanderbilt, Furman, Erskine, Carolina, and Wofford. Of the fifteen matches played, the team lost only one, to Springhill College of Mobile, Alabama. As usual the team "cleaned up" the South Carolina Intercollegiate Tennis tournament, which was held again on the all-

weather courts of Presbyterian's Callaway Stadium. Billy Needham captured the singles championship, while the combination of Larson and Farmer won out in the doubles competition.

Last summer Selfe and Artie Prochaska carried off several trophies from tournaments in and near the Carolinas. Selfe emerged victorious from the Carolinas closed in Hartsville. Prochaska scored as runner-up in both the South Carolina and the Carolinas championships. Bobby Spur-

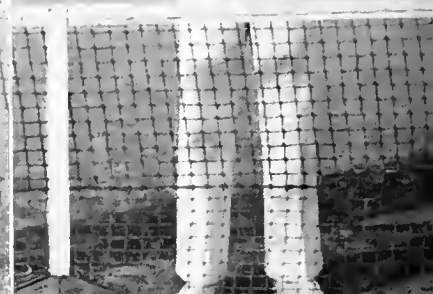

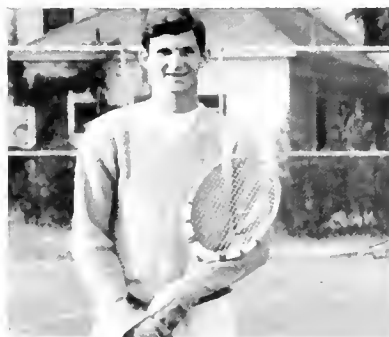

rier carried off top honors in the Carolinas Open tournament held at Clinton during the summer.

In the fall of '42 Eddie Selfe, state runner-up, was named captain of the team. As he will be graduated in March, another captain will be elected later in the spring.

In 1943 the team will probably be forced to play a skeleton schedule because of increased transportation difficulties. Most of the matches will be with state teams.

WILSON

TENNIS

Billy Needham, a mainstay in last year's championship team, will return to the '43 squad as the brightest star of the team. Winner of the Intercollegiate singles title in 1942, he is considered the strongest contender for the title again.

During the fall Coach Bill Lufler tentatively selected several of the freshmen for the varsity team. These included Bobby Spurrier and Ivey Wilson, two boys who show promise of being P. C. stars of the future. Other team prospects are: Kay Kaiser, Luke Rushton, Bill Cummings, and Hank Caver.

The one dark spot in otherwise excellent prospects for Blue Stocking success is the loss of Coach William Lufler. After six spectacular years as coach, Lufler leaves for service in the armed forces. When Bill came to Presbyterian, the tennis team held a low rank in Palmetto circles. Now, upon his departure, P. C. has one of the leading teams in the South. For the last four years Lufler has kept the team in the national picture.

The student body elected at the polls in 1942 a staff to edit their 1942 book for them. The staff, not knowing a great deal about book-publishing, set out to produce an annual which we hoped would be different. We tried to keep these differences from becoming known in the hope that the changes would be pleasant surprises.

Only those who have helped in the publication of this thirtieth volume of the PaC SaC, are fully aware of the difficulties and problems with which we were confronted. To us this volume represents many hours of tedious work.

Much credit is due Associate Editor Ben Hammet, for his invaluable help and continued interest and Business Manager Bill Culp for his cooperation. Our thanks to the other members of the staff for aid and to those who are not official members of the staff. Miss Morgan of Photo Process Engraving Company, and Johnny Long of Foote and Davies for their contributions, to C. E. Nichols for excellent photography and cooperation, and to L. S. McMillian for suggestions, and to Fred Allen for aid rendered in time of need.

The performance of our duties has been a genuine pleasure, and in presenting the 1943 PaC SaC, we earnestly hope that it meets with the approval of students, faculty, and friends.

In 1942 The Blue Stocking, student newspaper, reached the peak of campus journalistic achievement, aligned its policy with that of the war effort and the College's program of accelerated education.

The weekly organ received the highest rating possible, "All American — Superior Pacemaker," as bestowed by the Associated Collegiate Press, most reliable authority on collegiate journalism in America today. In gaining the rating The Blue Stocking was named among the seven best college newspapers in the United States regardless of the size of the institution. Only one other paper in the South was included in the select group; and at no time has any other South Carolina college newspaper been accorded the honor. Wrote the A. C. P. judges in congratulations, "Truly a top-notch newspaper."

At the annual convention of the South Carolina College Press Association, Editor Ben Hay Hammet was awarded first prize for the "best news story of the year." However, The Blue Stocking later resigned from the association when the paper failed to receive the recognition due it.

CHI BETA PHI

Realizing the need of an organization to foster interest in science, students of Presbyterian College organized an honorary scientific club in 1925. This club soon became the Eta chapter of Chi Beta Phi, national honorary scientific fraternity, which was founded in 1916. The objective of the fraternity is to promote interest and instruction in scientific investigation by means of lectures of prominent scientists, by means of round table discussion. Members are admitted each year from the ranks of those students who have proven their ability in science.

BLUE KEY

The Presbyterian College chapter of Blue Key, national honorary leadership fraternity, was established March 29, 1932; therefore the 1942-43 college year marked the conclusion of a decade of outstanding service rendered the college by the organization.

In the preamble to the Official Code the purpose for which Blue Key is established has been clearly set forth: "In order that through the organized effort among student leaders in American colleges and universities;

"(1) The belief in God will be perpetuated and intensified, and the government of the United States will be supported and defended.

"(2) An ambition for intellectual attainment and desire to serve college and fellows will be fostered among students.

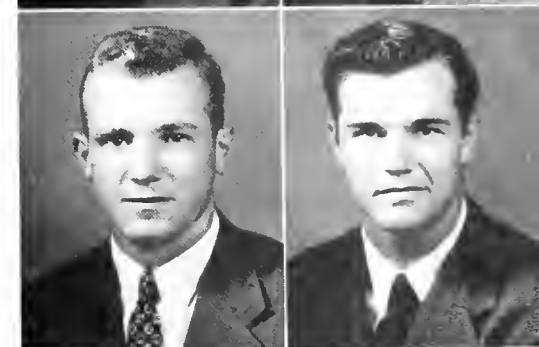

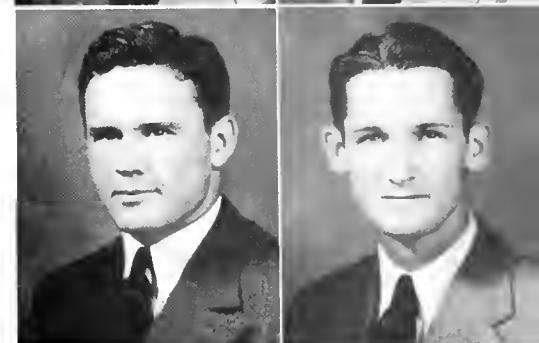

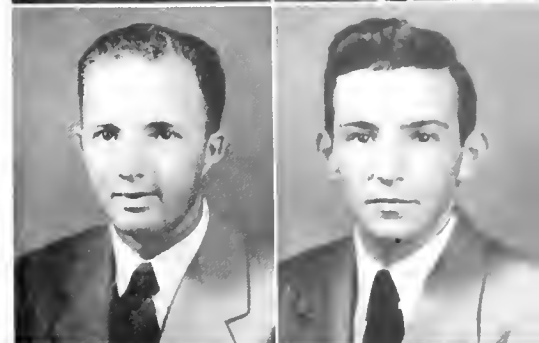

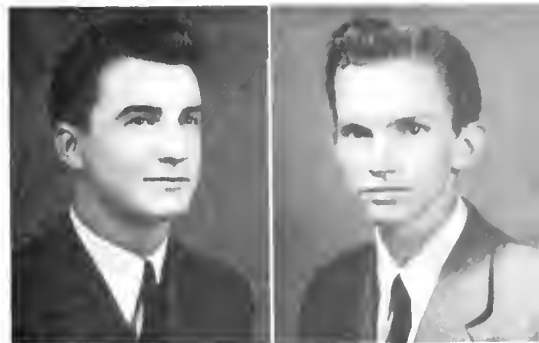

"(3) Student problems may be studied, student life may be enriched and the progress and best interests of the institutions in which the organization is found may be stimulated and promoted."

Officers among the currently active members include: Robert McCormick, president; William Dent, vice-president; Tom Dews, corresponding secretary; Paul Turner, secretary; and Robert Schwanebeck, treasurer.

Through the Ministerial Club, the boys who are studying for the ministry can have an opportunity to practice their work, and through this practice they are a great help to the community. The members of this club have taught Sunday school, led in church and vespers, and they often help in prayer meeting.

I. R. C.

Made possible through the Carnegie Endowment for International Peace, the local chapter of I. R. C. was established in 1924. It is the only organization on the campus to which membership is attained through competitive examinations. When vacancies in the membership occur, examinations based on current events as recorded in newspapers and magazines are given to those interested. Students making the highest grades are added to the roster of club members.

The purpose of the club is to give students an opportunity to become better informed on current events of world-wide interest. To accomplish this end various types of programs are given at the regular bi-monthly meetings.

Eight members of the student body have been selected by a unanimous vote of the College faculty to have their biographies included in the 1942-43 issue of "Who's Who In American Colleges and Universities."

The purpose of Who's Who, as stated by its publishers, is "to serve as an incentive for students to get the most out of their college careers; as a means of compensation to students for what they have already done; as a recommendation to the business world; and as a standard of measurement for students."

As a result of their selection, the eight representatives from Presbyterian College will be included in the annual publication along with the top few students from over 600 other American colleges. Copies of the book are placed in the hands of hundreds of companies and others who annually recruit students for employment.

PAN-HELLENIC

BILL DENT
Pi Kappa Alpha, President

The Students of Presbyterian College owe a vote of thanks to the members of the Pan-Hellenic council, who perform great tasks without any thanks. The difficulties which they have to surmount in putting on a set of dances are not known by the student body.

The members are elected by each fraternity as their representative to the council. The council this year has operated under the competent leadership of Billy Dent, president.

The council closed the dance series last year with one of the most successful sets ever. Royce Stronner and his lads furnished the jive. The unprecedented speed-up educational program of the school presented a problem to the council, but they were capable of meeting the situation and backed a set of summer dances.

COUNCIL

The council again ruled the rush season and regulated the season with a great deal of success. More men were pledged this year than in many years. The council honored the new men with a set of Pledge Dances to which the pledges were admitted to one free. Plans are now underway for a mid-winter set.

Alpha Lambda Tau was founded in 1916 at Oglethorpe University and in 1927 the Rapier Club of Presbyterian College was granted a charter and Iota Chapter of Alpha Lambda Tau was established. At first it was intended that the fraternity should not extend beyond the Mason-Dixon line, but this idea was later abandoned and chapters now extend as far north as Illinois and as far west as Colorado. The fraternity publishes a monthly magazine under the name of *Alpha Lambda Tau* and a quarterly magazine called the *Rose Leaf*.

The Kappa Alpha Fraternity was founded at Washington and Lee University, then Washington College, on December 21, 1865, and in 1921 the local Aesir Club was taken into the order as the Beta Pi Chapter. It was established with the idea of creating an organization to foster and maintain the ideals, manners, and customs of the Southern people. The quarterly publication of the fraternity is the *Kappa Alpha Journal*.

On March 1, 1868, Pi Kappa Alpha fraternity was founded at the University of Virginia by five friends who had gone through the Civil War together. One year after its founding Pi Kappa Alpha became national and charters were issued throughout the state. The disorganization of the South immediately following the war made its early career uncertain and difficult, but in later years it has enjoyed a very prosperous growth. The Presbyterian College chapter, Mu, was chartered in 1890, but was inactive from 1909 until 1921.

Pi Kappa Phi was founded at the College of Charleston in South Carolina, December 10, 1904, by three of its students. It was a concrete and permanent result of the friendship of these three men. It was incorporated in 1907, with the purpose of becoming a nation-wide society. From the time of its founding its growth has been steady and consistent. Its record is unique in that it is the only national fraternity to be founded in South Carolina and that it has thrived despite the effects of anti-fraternity legislation which was persistent after 1897. The growth of the fraternity has been more pronounced in the South although it has never been confined there by policy. Beta Chapter was established at Presbyterian College in 1907.

ALPHA PSI DELTA

VIVIAN DUKES

Alpha Psi Delta is the girls' social organization at Presbyterian College. It was founded on this campus in 1933 as a local sorority by co-eds of the institution and it has been active since that time. The sorority is governed under the same rules as fraternities located on the campus.

The A. P. D.'s annually hold a girl-break dance which is the highlight of their social activities during the year. The girls have as guests a number of girls from outstanding sororities located in schools all over the state. Besides their annual girl-break dance, the sorority conducts a number of other social activities throughout the year.
